

Russian Language Courses

The Standard Russian Language courses will give beginners, as well as advanced students, the necessary skills in Russian for practical use. Emphasis is put on the conversation, based on grammar knowledge.

- ◆ Beginner & Elementary level (A1—A2)
- ◆ Intermediate & Upper-intermediate level (B1—B2)
- ◆ Advanced & Proficient level (C1—C2)
- ◆ Russian for Philologist
- ◆ Specialized courses for teachers, business people, lawyers, and scientists
- ◆ Individual training
- ◆ Special courses for advanced students

Summer University

Summer Russian Language Programme consists of three main parts:

- ◆ Study programme
- ◆ Home stay programme
- ◆ Cultural programme

Teachers

Our instructors are university graduates with a solid experience teaching Russian as a foreign language. Having spent time in other countries they possess a good knowledge of foreign cultures which help them better understand their students.

Cultural programme

We offer cultural activities that will help our students to get acquainted with Russian history, culture, traditions and social life.

Russian Language Testing Centre (TORFL)

The TORFL is specially designed for foreign citizens and offers the opportunity to evaluate the level of Russian Language including all the aspects – grammar, lexicon, the ability to read and write and the communicative skills

- ◆ Russian language testing for foreign students
- ◆ Testing in Russian language for foreign citizens and persons without citizenship, necessary to be admitted to Russian citizenship
- ◆ Testing in Russian for the migrant workers, necessary for the work permit in Russian Federation.
